COMPANY PROFILE

Welcome!

Parbue Strategic helps businesses and brands build relevant, **well-structured**, and effective **communication systems**, content, and **digital presence**.

Parbue Strategic was founded on a simple belief: marketing should be **affordable**, **relevant**, and **well-executed**.

We believe a good campaign is **received**, **remembered**, and proven **effective**. By bridging customer expectations with each **brand's reality**, we create clear positioning and marketing that **truly connects**.

Our Mission

To turn ideas into clear strategies, meaningful content, and effective brand communication.

Our Vision

To shape how businesses and brands communicate, connect, and grow in an increasingly digital world.

Our Goal

To make every brand communication clearer, more relevant, and more effective.

Key Products and Services

- **Social Media Management**

We manage your social media with a clear strategy and consistent execution.

From content planning and creative development to publishing and performance monitoring, we make sure every piece of content serves a purpose.

At Parbue Strategic, we focus on building a relevant, consistent, and well-structured digital presence that reflects your brand and connects with the right audience.

- **Marketing Strategy & Creation**

We develop marketing strategies that connect your business goals with the right audience, message, and channels.

From identifying opportunities and defining direction to developing creative concepts, we turn marketing ideas into clear and actionable plans.

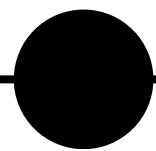

We combine strategic thinking with creative execution to create marketing that is relevant, purposeful, and built to deliver results.

Milestones

What started as a small project we worked on together after class gradually grew into something we continued while looking for our first jobs, then alongside our careers, and eventually became our full-time pursuit.

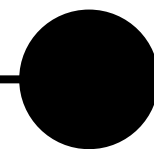

Through every stage, we have stayed grounded in one belief: good marketing connects expectations with reality, creating a better experience between brands and their customers.

2022

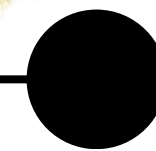

Secured our first client, managing the social media presence and developing the marketing strategy for a local coffee shop.

2024

Reached our first 10 clients and expanded our services into marketing strategy, website development, and KOL-driven campaigns.

2026

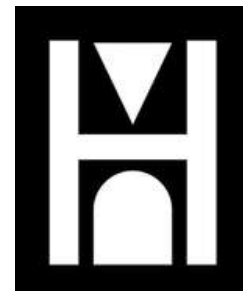

Established PT Parbue Lokakarya Utama, reached 15 clients, and began working with corporate clients to manage their social media and digital presence.

Future Plans

- Building Our Own Media — Developing a media platform where our clients can gain additional exposure and access promotional opportunities at no additional cost.
- Going International — Expanding our services to international markets while maintaining competitive, Indonesia-based pricing.
- Expanding Our Strategic Services — Continuously developing our capabilities in marketing strategy, brand communication, content, and digital solutions.
- Building a Stronger Network — Connecting businesses, creators, KOLs, and creative professionals to create more effective and accessible marketing opportunities.
- Growing With Our Clients — Building long-term partnerships where our success grows alongside the brands and businesses we work with.
